DON'T COMPROMISE ON NUTRITION... WHEN THERE'S FRESHLY BAKED MUESLI BUN!**13 November 2006**

Most people turn to packaged food that is usually high in salt, sugar, and fat or low in nutrients when they eat 'on the run' as providing a healthy snack is always a challenge. Now, you don't have to compromise on nutrition or taste with the introduction of **Gardenia Muesli Bun** in two popular variants, **Mixed Berries** and **Banana Chocolate** on 15 November 2006.

A hectic lifestyle in our modern society often means snacking or irregular meals. You can now balance it with **Gardenia Muesli Bun**. Whether you are on the move, on your way to school, office or gym, these delicious muesli buns make great and convenient healthy snacks to refuel and nourish your body.

Endorsed with the Healthier Choice Symbol, **Gardenia Muesli Bun** makes healthy 'meals-on-the-go' convenient for breakfast, lunch, dinner or just about any time of the day. Freshly baked with wholesome grains, **real** fruit and vitamins, these delicious buns are ideal 'grab and go' healthy treats for the young and old.

Gardenia Muesli Bun is conveniently available at \$0.80 per bun at all supermarkets, petrol marts, convenience stores and selected general retailers.
