

GARDENIA FOODS (S) PTE LTD IS HALAL CERTIFIED BY MUIS

It has been brought to our attention that there was a recent spate of circulating rumours, spreading false information that Gardenia bread contain pork and pork products.

We wish to affirm that this information – a rumour that originated from Malaysia - is totally baseless and unfounded, intended to cause undue alarm and worry to Gardenia's loyal customers and the general public. We would like to assure the public that Gardenia's range of bakery products are totally free from any non-Halal items including pork and its derivatives. Our production premises located at Pandan Loop in Singapore and our products have been certified Halal by the Majlis Ugama Islam Singapura (MUIS), also known as the Islamic Religious Council of Singapore.
